We are troubled on every side,
yet not distressed:
we are perplexed, but
not in despair.

2 Corinthians 4:8

Few Words With You...

Most beloved brothers and sister in Christ, my loving greetings in the sweet name of our Lord and Saviour Jesus Christ of the world. God is good.

By the immense Grace of God, this month on the 28th our Victorious Ministries is completing 28 years and stepping into the 29th year. Small beginnings, the neglected days, ordering places, but the one who called is faithful, 'As an eagle stirreth up her nest, guides the young ones' the Lord alone lead this ministry and me.

Last month, the Lord helped me to go and do ministry in England and Oman. He gave a fruitful ministry. He raised many testimonies, thank you so much for all your prayers.

Continue to pray for our Wings of Victory social work. Lend out your helping hand. I cordially invite you to support in prayer daily for the old age home, free dialysis center, testing center, livelihood center which we are going to start in Pallavaram, Chennai.

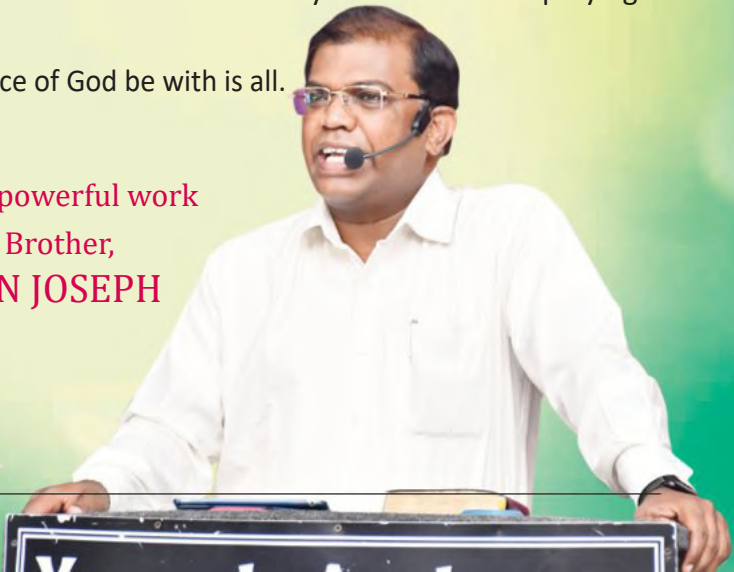

Let us praise God for the completion of 32 churches through our Victorious Ministries. Still 13 churches are under construction, we have to complete construction of 50 churches within this year. Pray, come forward to build a church on your behalf. I am praying for you.

May the Grace of God be with is all.

In Christ's powerful work

Your Brother,

R. JOHN JOSEPH

Message of Victory

“We are troubled on every side, yet not distressed: we are perplexed, but not in despair.”
2 Corinthians 4:8

Bro. R. John Joseph

Dear readers! My greetings to you. In our life troubles and confusions show up in one way or the other. In this situation, many get confused and weary.

The news of war, earthquakes, landslides and various other natural disasters that we hear these days frighten and disturb us. Similarly, many may be worried thinking about the future, career, economic situation and how we can benefit. Don't panic.

them, Hear, O Israel, ye approach this day unto battle against your enemies: let not your hearts faint, fear not, and do not tremble, neither be ye terrified because of them.”
Deuteronomy 20:3

Yes! Do not lose heart. Don't forget that your future is in the hands of our Lord. Because it is in our hands we stumble and cannot handle it. Jesus is able to lead us.

In the scriptures, many saints lived in midst of and said **“And shall say unto** many troubles, abandoned

situations, did not lose heart and did not become weary. This month we will mediate on how they overcame.

1. Pray and Praise to overcome

“And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them.” Acts 16:25

The Revival in Phillippi was the highlight of Paul’s ministry. The miracles that took place in it disturbed them. So, Paul and Silas were beaten and their feet fast in the stocks in prison. Anything can happen at dawn. But, Paul and Silas were not discouraged in this situation.

The beating must have been painful, injury would have been there, their feet fast in the stocks is a sign of torture. But, Paul and Silas did not cry, grumble or lament or lose heart thinking about their future and how God himself stopped them from going to Asia and Bithynia and brought them here to be beaten and their feet to be fasted in the stocks, instead they prayed and praised God.

Dear ones! Have you lost hope too? Why? For what? When? Are you living like the people of the world who lament like this? Don’t become weary. The first thing

you need to do is to change this situation is to praise and pray. Yes! We are obliged to praise God in any situation.

How can we not thank God and not praise Him if He is protecting us with life, maintaining us, nourishing us, leading us carefully, tests us and guides us by His Grace.

Likewise, let us pray. What Paul and Silas pray for? They would have prayed for those who were with them in prison, for co-ministers, for future ministry, for those who have beaten and tormented them. They would have also prayed for their salvation .

Yes! **“But thou art holy, O thou that inhabitest the praises of Israel.”** Psalms 22: 3. Because Paul and Silas shook the prison by praising and praying. Commanded the salvation. Even though they were weak and wounded in prison, prayer made them strong.

Dear brothers and sisters, Jehoshaphat won by praising.

David who said His praise shall continually be in my mouth was exalted. You don't lose heart looking at your situation, learn to praise, start to pray. May the Lord strengthen you and give you the grace to achieve great success.

2. Overcome by the love of Christ.

“Who shall separate us from the love of Christ? Shall tribulation, or distress, or

persecution, or famine, or nakedness, or peril, or sword? Nay, in all these things we are more than conquerors through him that loved us.”
Romans 8: 35,37

Secondly, the reason for Paul not losing heart is the love of Christ. That is, his love for Christ. In 2.Cor. 5:14 **“For the love of Christ constraineth us; because we thus judge, that if one died for all, then were all dead.”** Yes! His love must hold us close even in prison so in prison we will not lose heart. Paul is a good example to show how a person who is filled with His love will not grumble or lose heart.

Dear children of God! Are you filled with God’s love? Does the love of Christ pushes you? We are living in the last days. Many people, many circumstances, many problems, many disappointments, many stumbling blocks will come to separate us from the love of Christ. The only way to overcome them and not be affected by them, is to let the love of Christ fill your heart. The scriptures say in Romans 5:5 **“And hope maketh not ashamed; because the love of God is shed abroad in our hearts by the Holy Ghost which is given unto us.”**

What an amazing experience!

If God’s love is poured into us by the Holy Spirit, we will surely not lose hope or lose heart. Paul also says in 2.Timothy 1:7 **“For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.”** Are you afraid of your future? Are you in a state of uncertainty in your life? You need a spirit of power, love and a clear mind. That love will not allow you to be disturbed by anything, will not allow you to become weary, God’s love will not allow you to be broken when you face troubles.

Count the love the Lord has for you these days and rejoice, increase your love for Him. Make sure no one or anything else comes in between your love. As Paul says in Romans 8:37 **“Nay, in all these things we are more than conquerors through him that loved us.”** Shall we also say? Let this also become our confession. Surely, the Lord will give you the grace to overcome.

3. Overcome by the strength of Christ

“I can do all things through Christ which strengtheneth me.” Philippians 4:13

We know that Paul wrote the Epistle of Philippians from prison. In the Epistles written from prison, Paul has asked the church to be happy, we read this in Philippians 3:1; 4:4. And he has not even written one word to the church the pain he has gone through or lamented about his pain and he has not questioned God. Not

only that, in Philippians 4:6 he teaches to pray without expectation. What a wonderful experience!

Dear brothers and sisters, the reason why Paul did not lose heart in his prison experiences was because he was filled with the strength of the Lord. In such challenging times, many lose their little strength and hope. This is because they think too much about their status, their needs, their shortcomings, their problems and their weakness.

But, when Paul was locked up in prison, he did not tell his needs, his problems, his

shortcomings and did not lose his heart, he understood that only one person can strengthen him. That is why he was able to tell the church to rejoice. Yes dear ones! This is the time for us to receive the Lord's strength. These are the days we should allow God to strengthen us.

We read in Isaiah 40:31 **"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."** An eagle after acquiring certain age, goes to the highest peaks and stays

inside the rocky outcrops and plucks out its feathers, sheds its feathers, knocks its claws and beak against the rocks and breaks it. Then it will wait for new wings, feathers, claws and beak to grow and also to get new strength. In those days, it will not take any discouraging decision. Instead it will wait for its creator to strengthen. Only then, the eagle will flap the wings and soar high.

Dearly Beloved! Will the God who leads the eagle so beautifully, leave us? The days we wait are the days we get strengthened. We need new strength to face the coming days, to achieve and

to win the old strength is not enough. But, strive to receive the Lord's strength these days. We read in Psalms 89:21 **"With whom my hand shall be established: mine arm also shall strengthen him."** What an amazing experience. You too get this experience.

Only those who can connect closely with the Lord can be strengthened by Him. When His strength is with us, then we too can tell like Paul **“I can do all things through Christ which strengtheneth me.”** Phili.4:13. You too can face the future fearlessly and boldly and with the strength of Christ.

Dear children of God! Don't lose your heart this month. We are not of the world, we belong to Christ, we are born to conquer and no one has the right to control your mind. Be careful, pray, praise, be filled with His love, be filled with His strength and move forward boldly. The Lord will fulfill all your needs and grant you all the Grace. **Amen.**

and long-suffering with joyfulness.”

Are we strengthened by grace and power? If not, this month we will decide to get rid of all old things which we are dependent on and get new strength.

DOVE

SCIENCE - 7

Thanks: Idi Muzhakkam Ministries

While preparing and waiting for the arrival of the Reverend,
Reverend suddenly entered

Dove: It seems you are busy working.

Reporter: Everything is waiting for you.... What are you going to say today.

Dove: I am going to tell you about the science of creation.

Reporter: In the first chapter of Genesis, we see verses of creation about the things that God created in six days! Are you going to tell about it

Dove: Yes. I think we can clarify some common concepts for our readers.

Reporter: Ok, tell me.

Dove: Between the first two verses in Genesis, a great event must have occurred. Or there should be a gap. Few say this as Gap Theory. This is completely wrong.

Reporter: The verse clearly says that God created everything in six days, it is wrong for us to impose certain principles.

Dove: Yes. But, if we understand properly, then everyone can

understand clearly.

Reporter: Then tell me so that I can understand.

Dove: First we need to know that the two verses are not separate verses. The continuation of one verse is the beginning of another verse. Because the conjunction word 'and' at the beginning of the next verse. So, it is incorrect to assume that there can be a period in the middle of a constant sentence. We must know the meaning of the word that the earth was without form and void.

Reporter: Yes, generally speaking not one of God's creation is in mess and something has happened between these verses.

Dove: You said it right. But, the meaning of the verse depends on the hierarchy of the creator.

Reporter: please tell it clearly.

Dove: A sculptor while carving a statue, does not initially carve the eyes, nose and mouth. First, the sculptor will take a rock according to his statues size and carve approximately and bring to the required shape. Then he will design others separately with great care. When it comes to the head of the statue, apart from the face he will carve other parts, then he will design facial features and facial expressions. This is how the earth was created with all the necessary sources on the first day. It was not designed like the earth we see today.

Reporter: From what you have said it is as if the world was created first and then beautified it.

Dove: It is almost like it. But, not beauty it is organized.

Reporter: Ok, ok, if one word is missed, you will tell it immediately.

Dove: Ok. The created earth was empty. Meaning there was no life. The Lord arranges the environment suitable

for life. At the same time, we read that there was darkness upon the face of the deep. This is not evil spirit. This indicates that there was no light there.

The Hebrew word “Tehom” is used for the word “in depth” . It indicates the depth of the water. When God created the earth, all the sources required for creation must have been filled in this water. And it is from this water that the earth must have been created. We know this in the scriptures in 2 Peter 3:5 “And the earth standing out of the water and in the water.”

Reporter: How amazing are the depths of science!

Dove: Yes. He is wonderful and does wondrous things. But, the earth and water did not take their form. Sound and light forces did not originate on earth. Neither gravity or any other form of circulation is created. On the next day, He expanded the sky, divides the water, made the dry land appear, and names the gathered waters as ocean, and organized everything. On the third day he finishes by making the trees, all types of grass and herbs to grow.

Reporter: Then after the earth was created, next two days, He created things related to organize the earth.

Dove: Yes. And the Spirit moved upon the waters, the word “Ruach” means Spirit of God. For moving upon, the word “Rachaph” mentioned in Deuteronomy 32:11 as the eagle hovers over its young. The Greek word for moving upon is “Phero.”

This refers to the word “inspired” in the verse, “Men of God spoke as they were inspired by the Holy Spirit.” The Spirit moved upon the waters and stabled the world. Similarly, the men of God were inspired and gave us words that stabilize our spiritual life.

Reporter: How much greatness is there in one word

“movement.”

Dove: Not only that. Just one movement is required to create the forces of sound, light and heat in the world. But, the Holy Spirit is self-moving. He organized the creations in his movement. He removed darkness and created light in His movement.

Reporter: You started with the Bible and finished in Physics.

Dove: Science is itself God’s creation. A scientist named Herbert Spencer has said that five things are necessary for the creation of the world i.e. Time, Space, Matter, Force and Motion. It can be observed that his statement is consistent with the scriptures, Time - In the beginning, Space - sky, Matter - earth, Force - Holy Spirit, Motion - movement.

Reporter: The beginning verses of the scriptures prove that scientific claims are within the scriptures.

Dove: Yes, we will continue to mediate on interesting things next month.

The Reverend conveyed wishes on the 29th year to Victorious Ministries and flew flapping his wings.

Houses of Pattu & Kittu

Two sparrows lived in a big grove. One sparrow name is Pattu. Another sparrow name is Kittu. These two sparrows planned to build a beautiful house for themselves.

Pattu, went to the banana tree and asked “Brother banana! Brother banana! Shall I build a house on you?” That banana tree gave place. Pattu chose soft materials like straw, thread. Pattu did this so that his house will be smooth and sturdy.

Kittu went to the mango tree and asked “Brother mango! Bro mango! Will you give me place to build a house?” That mango tree told “you can build Brother” Kittu built his house by placing the sticks in between the branches of the mango tree and tied it tightly. Pattu and Kittu started to live in the houses they built.

After a few days, a severe storm came. To protect themselves Pattu and Kittu went to their house. But the storm blew with great speed. Many trees were uprooted in the wind. Pattu's house was blown away by the strong wind. Pattu was clinging to the banana tree. In few minutes, that banana tree also broke down and Pattu was struggling without knowing what to do.

But, Kittu's house built on the mango tree stood firm. Kittu's house was also unaffected. Kittu saw the condition of Pattu, and took him along with him. Both of them stayed safely in the house built by sticks on the mango tree. They were protected from the strong winds of the storm.

Dear children, the mango tree resisted the strong winds and stood firm. Similarly, we too need a partner to resist the strong winds that blow sometimes in our life. No matter what happens, we will not fear when we put our trust on Christ. We will not fail when tribulation comes and will protect our loved ones too.

The verse (Matthew 7:24) says a wise man builds his house upon a rock. So, let us put our trust on Jesus Christ, the rock to protect us and our loved ones. The world and the things in it will perish. Christ will remain forever.

My sincere thanks to you all

My beloved brothers and sisters!
